

Mistletoe - Justin Bieber

G
It's the most beautiful time of the year
D
Lights fill the streets spreading so
much cheer
Em
I should be playing in the winter snow
C
But I'mma be under the mistletoe

G
I don't wanna miss out on the holiday
D
But I can't stop staring at your face
Em
I should be playing in the winter snow
C
But I'mma be under the mistletoe

G D
With you, shawty with you
Em
With you, shawty with you
C
With you under the mistletoe

G
Everyone's gathering around the fire
D
Chestnuts roasting like a hot July
Em
I should be chilling with my folks, I
know
C
But I'mma be under the mistletoe

G
Word on the street Santa's coming
tonight,
D

Reindeer's flying through the sky so
high
Em
I should be making a list, I know
C
But I'mma be under the mistletoe

G D
With you, shawty with you

Em
With you, shawty with you

C
With you under the mistletoe

G D
With you, shawty with you

Em
With you, shawty with you

C
With you under the mistletoe

G D
Aye, love, the wise men followed the
star
Em
The way I followed my heart
C
And it led me to a miracle

G D
Aye, love, don't you buy me nothing
Em C
'cause I am feeling one thing, your lips
on my lips
That's a merry, merry Christmas
